HYMN 428, "God bless our native land"

THIS Service of Intercession is in response to a suggestion made by the authorities of the Church of England. Bishop Manning has received a letter from England asking that we pray "that God's strong arm may strengthen the Greeks in their struggle for freedom and that all Orthodox Peoples may be knit together as blood brothers and sisters of the great Orthodox family with the oecumenical bonds of love: that if it is God's will they may be so preserved in peace that in the days to come they and the American Nation may be drawn nearer and nearer in the bonds of the Christian faith and of the Christian love."
